OFFICE OF THE COMMANDER

Stan -

*Reference your note of 10/20
on Brown's request for a briefing
(that no longer exists) I have more
egg on my lapel.*

*I've asked the chief to
turn it off - and told Brown
how little I liked it. I
have no idea what started
this up again - I wish I
didn't.*

*I won't write to you any
more - don't open my letters*
